SCHOOL 33
ART CENTER’S
31ST ANNUAL
OPEN STUDIO TOUR

During this free, self-guided tour, you’ll experience the best of Baltimore’s diverse arts community. School 33 Art Center’s Open Studio Tour features more than 120 Baltimore artists with a range of styles from the traditional to cutting edge.

Artists from all over Baltimore are excited to share their work and open their studios to you! This annual city-wide tour is a great way to connect personally with local artists, see their creative processes, and perhaps even purchase an original work of art.

School 33 Art Center’s 40th Anniversary Exhibition is currently on display, celebrating the history of the nonprofit art space’s ongoing commitment to local, regional, and national contemporary artists. Using the entire building’s gallery spaces, the exhibition features more than 40 regional visual artists who have shown in the galleries over the years, with works from a wide variety of media and visual disciplines. The exhibition is on view through January 11, 2020, with gallery hours Wednesday-Saturday, 11am-4pm.
